

TEACH ME YOUR WAYS, O LORD

TUESDAY, 21st FEBRUARY 2023

7.00 - 9.30pm GMT

In an age with so many voices vying for attention, claiming authority and to have answers to life's questions but which so often lead to disillusionment, deception and despair,

Psalm 86 beautifully cuts to the heart of the matter:

"Teach me your ways O Lord, so I may live ... your love is very great and rescued me from the depths."

Join us to explore and celebrate our God of Truth and of Light and the need for us to remain teachable.

All are welcome to learn, share and pray and join together as we build one another up in the faith.
